Purrr

WELCOME TO THE FAMILY

**A safe haven
for fabulous felines**

What is Purrr?

Purrr is a registered 501(c)(3) non-profit organization, dedicated to helping felines in need live safe and super-fabulous lives.

We also aim to partner with the rescue and pet-loving community to create educational and social opportunities to enrich lives (both animal and human) and affect positive change.

Let's save lives together!

Ferally-Focused

If you find us out late in a dark alley with a trap in one hand and a trash magazine in the other, get that kitty concierge some coffee and a snack, because this is where we shine!

Outcomes for feral cats are historically tragic, but we are committed to caring for tricky cases. We trap, neuter/spay, and provide long-term socialization therapy to help our feral friends relax and morph into wonderfully warm, loving family members.

In the rare case our ferals do not warm up, we care for them as permanent residents, giving them space, love, and never-ending hope.

Why Donate?

Your donations help us take kitties off the dangerous streets and provide our family with high-quality food, medical care, and enriching toys all in a safe and homey environment with constant human monitoring and interaction.

Your donations will also help us find a secure facility where we can increase our capacity to save lives and host things like...

- 🐾 Cat & kitten yoga*
- 🐾 Pet-related craft nights*
- 🐾 A cat cafe with screened atrium*

*Donate today
Party with kitties tomorrow!*
