HONEYCOMB- PLEATED BLINDS

We supply quality conservatory honeycomb- and pleated blinds for your Wintergarten. The German designed system is manufactured in New Zealand.

SQUARE VERTICAL BLINDS

The prices are based on bays. A bay is app 1m wide and 2.1m high. A bay can be made up of 1,2 or 3 blinds depending on the design of your Wintergarten. The price below is for the complete bay which can be made up of 1 to 3 blinds. Count the bays and multiply with the prices below. The price depends on the kind of fabric.

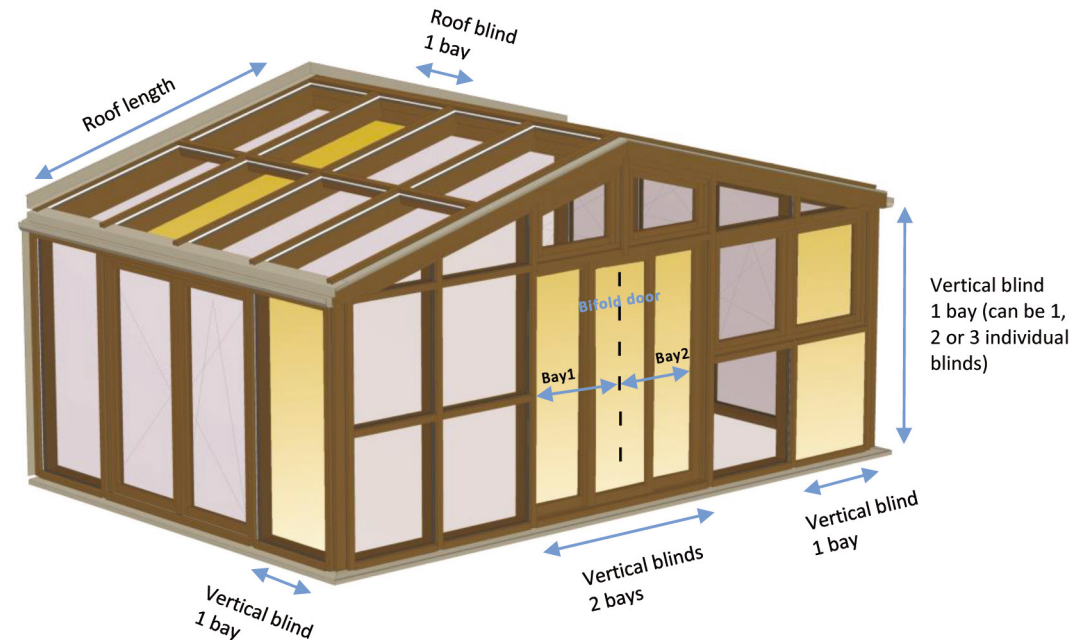

Blind configuration - SQUARE VERTICAL BLINDS		per bay
Operation	Fabric	
Manual	Pleated fabric translucent	\$465
Manual	Honeycomb fabric translucent	\$604
Manual	Honeycomb black out fabric	\$743

ROOF BLINDS

The prices are based on bays. A bay is app. 1 meter wide. The length of the blinds varies, depending on the design and size of your Wintergarten (from 1m to 4m). In the table you can find manually operated blinds and also remote controlled blinds in 3 different fabrics. Count the bays and multiply with the prices below. The price depends on the kind of fabric.

Blind configuration - ROOF BLINDS		Roof length (1 bay)			
Operation	Fabric	1m	2m	3m	4m
Manual	Pleated fabric translucent	\$451	\$591	\$735	\$850
Manual	Honeycomb fabric translucent	\$585	\$768	\$955	\$1,105
Manual	Honeycomb black out fabric	\$720	\$946	\$1,175	\$1,360
Motorized	Pleated translucent	\$1,190	\$1,332	\$1,475	\$1,590
Motorized	Honeycomb translucent	\$1,428	\$1,599	\$1,771	\$1,909
Motorized	Honeycomb black out	\$1,786	\$1,998	\$2,213	\$2,386

The maximum possible blind length is 4m. For wider roof length, eg. 6m, 2 blinds need to be used. (2x3m blind or 1x2m blind + 1x4m blind)

You can select from a wide range of honeycomb- and pleated fabrics on www.euroblinds.co.nz. We also offer to supply free physical fabric samples.

Installation instructions, videos and further details are available on the website.

CALCULATION EXAMPLE

This is how you calculate the cost of your Wintergarten.

FRAME	
Gable roof conservatory 3060x6320	\$ 49,311.00

FREQUENTLY ASKED QUESTIONS

- **I would like triple glazing for my Wintergarten. Is this possible?** Yes, please inquire for an individual quotation.
- **Is it possible to use a different timber species for my Wintergarten?** Yes, please inquire for an individual quotation.
- **I need an odd size conservatory which is different to your modular sizes. Is it possible to get a Wintergarten in different sizes?** We manufacture conservatories in most designs and sizes, but the cost will unfortunately be higher due to the deviation from the efficient modular Wintergarten system. Please contact us.
- **Can we have a Wintergarten with a brick base?** Yes, please inquire for an individual quotation.
- **Can you supply the visible flashings, the spouting and downpipes in copper?** Yes, we are currently working on offering this as a standard option. The system is an easy to install system (no soldering, no silicone). Please inquire for a price.
- **Is it possible to design the Wintergarten frame with an Aluminium exterior and use timber windows (no Aluminium shell on the outside) as a feature?** Yes, just tick the correct boxes (4 & 6) in the Wintergarten design sheet.
- **Does ThermaDura apply for the building consent?** Generally we work with local builders who organize the building consent. We supply the conservatory drawings, details, performance documentation and structural details for the builder after the order is confirmed. In the Dunedin area we offer the complete project management including the building consent application.
- **Do you offer stacker doors and other window and door designs?** Yes, we can supply all options of European style windows and doors in our architectural conservatory range. Please contact us.
-

Terms and conditions

All prices in this pricelist are GST inclusive. Prices are subject to change without prior notice. The prices in this price list are a guide and need to be confirmed with a quotation as windloadings and snowloadings in different parts of New Zealand need to be taken into consideration. Prices exclude assembly, delivery, installation and any site work (eg. new slab). Please inquire for a quotation or an estimate for assembly, delivery and installation. The spouting and downpipes are not included in the quotation. The blinds are supplied with the conservatory and include detailed fitting instructions and all installation material. Please inquire for a price for the installation of the blinds if required. The terms and conditions of GQP Ltd apply.
