We are our best selves when we're carefree. When we finally find that fairytale feeling that we first felt as a child. When we're free falling, cloud soaring and happily calling our friends and family over to come and feel it too...

Welcome to Walt Disney World Resort. Where magic is back on the menu...

Book your dream 2025 package holiday by 7th November and enjoy Free Dining & Drinks and the Disney 14-Day Magic Ticket for the price of 7 days on selected arrivals.

Yes, you read that right, the legendary Free Dining & Drinks is back. Simply book a selected Disney Resort hotel + Ticket package and you'll be able to eat and drink at over 90 venues for Disney Quick-Service Meals and Disney Quick-Service Dining Plans and over 170 for Disney Dining Plans. Across all Disney Resort hotels, Theme Parks, Water Parks, Disney Springs, and Disney's Boardwalk.

There's a world of wonderful cuisine to taste, from French to Italian, Mexican to

Moroccan, fine dining to fast favourites to healthy delights – and even meals with Mickey and his friends.

Now with a dining option included, you're free to focus on having as much fun as possible. And with the Disney 14-Day Magic Ticket for the price of 7 days, you'll have double the days to do just that in the incredible Theme Parks, Water Parks, and beyond!

Universal Orlando Resort : HOLIDAYS SO REAL, IT'S UNREAL!

In times like these, you deserve a fairytale escape. Yet Universal Orlando Resort holidays aren't make-believe. They're so real it's unreal.

Somewhere that you can step right into the action of your favourite movies. A place where if you were watching the film of your life, you'd keep rewinding. Here, the rides are fast, yet time slows down as you fight beside your heroes, dodge villainous dinosaurs, or make an almighty splash in a volcano.

Exclusive Benefits

Better yet, you'll receive exclusive theme park benefits when you stay at a Universal Orlando hotel.

Enjoy free transportation to and from three parks and breeze into one of the Universal parks up to an hour earlier than regular guests with Early Park Admission* (valid theme park admission required; select attractions) - including attractions like The Wizarding World of Harry Potter™ that further blur the lines between film fantasy and reality. The only thing left to decide is which Universally loved attraction you want to visit first.

And as if that was not exciting enough,

That's where we come in, with expert advice utilising twenty years of award-winning service...

Endless choice

See all the sights, experience a variety of cultures, and create lasting memories. From east to west, from north to south, the choice is endless and remember, the USA has it all!

You can kick off your trip by soaking up the city sights in New York, or head west and stroll along the Golden Gate Bridge before heading south and taking on the bright lights of Las Vegas.

Sparkling beaches

You could even opt for a classic stay in Orlando, followed by the sparkling beaches of the Gulf Coast.

Whatever your interests, a USA city break is guaranteed to tick all the right boxes

If you're headed to Orlando, the chances are that high-flying adventures at Walt Disney World are at the top of your agenda. Or at the very least, an action-packed city break.

Yet if you're anything like us, you will also love to pair your thrills with time to chill. And since the Sunshine State has an abundance of spectacular beaches, it would be a shame not to see one or three while visiting. All within easy driving distance of Orlando, they promise soft, golden sand, sparkling waters, and a lovely escape from the busy city.

No matter if you travel east or west from Orlando or for how long, eventually you'll hit one of Florida's best beaches. From Clearwater and St. Pete on the west coast to neighbouring Daytona Beach and New Smyrna Beach in the east, Florida arguably has some of the best beaches in the world. It's not all about laying on a sun lounger either - snorkelling, surfing, kayaking and cruises are plentiful, along with outstanding seafood restaurants, beach bars and outdoor adventures.

Florida Beaches

In 2024, we're redefining what all-inclusive means: experience a Florida holiday that never sacrifices style, amenities, or a prime location for being disability friendly.

What's more, we can arrange airport assistance and adapted car hire further tailored to your disability. For anything else, just tell our team of experts. You control our personalised packages, and It's time to travel beyond the expected...

Feedback welcomed

PS. We know the mission to improve accessibility in the travel industry is far from over, and we welcome your guidance on how we can be more inclusive - until the day they're just called accessible holidays.
