Greetings

January 21, 2020

In this booklet you will find information on all the slates and candidates which are running in the US election for the 38th World Zionist Congress (WZC).

The 15 slates are listed in the order they appear on the ballot (determined by random drawing) and for each one you will first see a platform statement and then their list of candidates for the 152 US Delegate seats at the WZC. Candidates on each slate are listed in the order that they will be elected, based on the share of votes won by the slate, and each slate may also have two Alternates per elected Delegate. At a minimum, one of every four names on each slate is between the ages of 18 and 35, ensuring that the next generation of Zionist leadership will be present at the WZC. In addition, at least 30% of the candidates on each slate are women.

We encourage you to read through this booklet and familiarize yourself with the various positions presented by the slates. Even if you have already determined for which slate you intend to vote, we hope you will learn about the full scope of the Zionist movement in the United States. Your vote provides you with a rare opportunity to participate as an American Jew in some of the major decision-making institutions affecting Israel and World Jewry.

Make your voice heard! Go to www.ZionistElection.org to register and vote!

ERETZ HAKODESH PLATFORM:

A VIBRANT ISRAEL ROOTED IN TORAH

Eretz HaKodesh stands for a strong dynamic Israel illuminated by the teachings of Jewish tradition.

JEWISH VALUES BASED ON TORAH

Eretz HaKodesh believes that classical Jewish values of Torah as taught for millennia should play a central role in modern Israel.

JEWISH LEARNING AND EDUCATION

Eretz HaKodesh believes that it is essential that Jews have a deep understanding of the beauty and depth of Jewish learning and tradition. We will work to promote Jewish educational programs for young and old in Israel and around the world.

AHAVAT YISROEL

Eretz HaKodesh believes that a key to the Jewish future is the principle of Ahavat Yisroel, the unconditional love and concern for all Jews, regardless of background or level of religious observance. Eretz HaKodesh will strive to ensure that the bond between all Jews be strengthened.

ECONOMIC OPPORTUNITY

Eretz HaKodesh will strive to bolster Israeli society by creating economic opportunity for all, in particular those with limited skills and living below the poverty line. Eretz HaKodesh will strive to create programs to integrate Jews of all backgrounds into the workforce to make Israel a country of opportunity for all.

SECURITY

Eretz HaKodesh believes in a strong and secure Israel. Israel should never make compromises that may endanger the security of its citizens.

DIASPORA JEWRY

Eretz HaKodesh believes that all Jews share a common history and destiny reaching back to Mt. Sinai. We will endeavor to strengthen that bond with a focus on Jewish learning imbued with Ahavat Yisroel.

VOTE REFORM

ARZA for the Reform Movement and Reconstructing Judaism World Zionist Congress Elections 2020

The Reform and Reconstructionist Movements are proud to join together to form the "Vote Reform /ARZA" slate for the World Zionist Congress 2020 Election. Our movements are deeply committed to a strong and secure Israel, and to strengthening the Israel-Diaspora relationship. We are committed to the vision and aspiration outlined in Israel's Declaration of Independence:

"THE STATE OF ISRAEL will be open for Jewish immigration and for the Ingathering of the Exiles; it will foster the development of the country for the benefit of all its inhabitants; it will be based on freedom, justice, and peace as envisaged by the prophets of Israel; it will ensure complete equality of social and political rights to all its inhabitants irrespective of religion, race or sex; it will guarantee freedom of religion, conscience, language, education and culture..."

We are passionately invested in a Zionism that creates and sustains an Israel that is both Jewish and democratic and is a free society that upholds equality of religion, gender, race, and ethnicity.

WE BELIEVE IN:

Religious Equality: We envision and work for an Israeli society in which all Jewish denominations are treated fairly and with respect – a society in which all of us are seen as Jews, regardless of our interpretation of texts and traditions. We also seek an Israel in which people of all genders can pray, work and live together as equals deserving of the same respect and honor.

Combatting Racism, Discrimination, and Hatred: Religious and ethnic minorities, LGBTQ people, people with disabilities, and all other members of Israeli society deserve to be treated with full equality under the law, civility, dignity, and respect.

Security in the Region: The pursuit of peace, security and stability for Israel, the Palestinians and the surrounding region remains our hope and our goal.

Two States for Two Peoples: We know that although the road may seem long, we are committed to building the path to peace based on a Two-State Solution. We believe that Two States for Two Peoples is essential for the security and stability of both Israelis and Palestinians.

WHO WE ARE:

ARZA – the Association of Reform Zionists of America – is the largest constituent of ARZENU, the umbrella organization of Reform and Progressive Religious Zionists in Israel and around the world. ARZENU has a proven record of delivering on our pledges to advocate for an Israel that is Jewish, democratic and pluralistic, and for leading with our values. With our allies, we ensured that progressive Jewish movements in Israel were able to grow and expand their reach, making a significant impact on Israeli society and world Jewry at large. Increasing our representation in the World Zionist Congress is critical to maintaining and building on this success.

In support of those beliefs, in this World Zionist Congress election the "Vote Reform" ARZA slate pledges:

▶ To advocate for government recognition and societal acceptance of the many diverse expressions of Jewish religious identity, so that all such expressions are recognized as legitimate and equal under the law.

▶ To support the government and societal initiatives that seek to pursue a Two-State Solution and a long-term peace between Israelis and Palestinians.

▶ To influence the National Institutions (WZO, KKL, JAFI) in support of a strong shared society and democratic civil society in Israel.

▶ To assure that liberal streams of Judaism are provided equal financial support and resources in the Jewish State, ensuring that our movements in Israel and all Jewish denominations in Israel remain strong, vibrant, and growing.

Vote Reform

A VOTE FOR ARZA IN THE WORLD ZIONIST CONGRESS ELECTIONS IS A VOTE TO PROMOTE EGALITARIANISM, PLURALISM AND PEACE IN ISRAEL.

Did you know?

Israelis in the USA are a HUGE community! (How huge? Numbers are estimated between 700,000 to 1,000,000 first-generation and second-generation Israelis). We represent almost 7.5% of Jews living outside of the State of Israel!

And now it's time for our voice to be heard!

It's time for our values and needs to be represented within the largest and most influential Zionist forum, the WZC. On the one hand, we are not represented by the State of Israel (as we live abroad), while on the other hand, outside of Israel we experience concerns and needs that are not necessarily being addressed;

NOW it's the time to change it!

While it seems that we are neither here nor there -- we hereby declare that we are both here and there! And we have a lot to bring to the current Zionist discussion from an American-Israeli point of view.

"Israel Shelanu" (ישראל שלנו)

was formed by a group of Israelis living in the US who seek to nurse the relationship between world Jewry and the State of Israel, and to promote an open and pluralistic Jewish culture, support our brothers and sisters in their effort to be recognized in the State of Israel.

OUR PLATFORM

EMPOWERING YOUTH

The generation most impacted by the decisions made by Jewish national institutions should be empowered to participate in making those decisions. VISION is the only list participating in the World Zionist Congress elections exclusively running the young activists currently at the forefront of today's battles over Jewish liberation, identity, and Israel's legitimacy on campus.

PARADIGM SHIFT

VISION breaks free from the narrow confines of outdated paradigms by exploring fresh solutions to Israel's conflict with the Palestinians and empowering our youth to formulate their own Jewish liberation ideologies relevant to the current chapter of our people's story.

PEACE

While VISION views peace with the other native peoples of the Semitic region to be a yet-unfulfilled goal of our people's revolution, we recognize that the two-state model being aggressively promoted for the past 30 years has not and cannot succeed, as it negates the aspirations of both Jews and Palestinians and has only resulted in several new injustices for both peoples. VISION supports grassroots engagement efforts to cultivate better relations between Jews and Palestinians, based on mutual understanding and respect.

IDENTITY

The Jewish people constitutes a proud ancient civilization with a unique culture, worldview, traditions and homeland. But as a result of our displacement and many centuries of oppression, several aspects of our identity have been stolen from us or diluted to the point of becoming barely recognizable. Every people that experiences liberation must subsequently engage in a post-colonial conversation. VISION promotes conversations aimed at decolonizing Jewish identity as a necessary component of rebuilding Hebrew civilization in the modern age.

PEOPLEHOOD

VISION views the Jewish people as one large collective family with a shared history, common destiny, and mutual responsibility. While we recognize the sociological realities within the Jewish world and seek to be inclusive, we relate to the prevalent labels as only having secondary importance when compared to identification with the nation of Israel and participation in its historic mission.

THE HOMELAND

VISION is committed to the principle that our homeland cannot be divided. We act to ensure the natural right of all Jews to live within an independent State of Israel between the river and the sea, while also striving to act upon our obligation to ensure justice and dignity for all inhabitants of our country, Jew and gentile alike.

Champions of Progress & Pluralism

MERCAZ – THE VOICE OF THE CONSERVATIVE/MASORTI MOVEMENT

MERCAZ USA is the Zionist Organization of the Conservative/Masorti Movement. A vote for MERCAZ is more than just the opportunity to gain delegates to the World Zionist Congress – it is the best opportunity to send a strong message to the Israeli government and people of Israel.

We support strengthening Israel as a Jewish, Zionist, and democratic state, and endeavor to shape it as an exemplary society with a unique moral and spiritual character rooted in the vision of the Hebrew prophets. We envision a society that is democratic and pluralistic, that recognizes and empowers all streams of Jewish practice, and that guarantees the civil and political rights of all of its citizens.

MERCAZ USA stands firmly for the following principles and goals:

1. [An Open Pluralistic Jewish Society](#) - That celebrates Jewish values and embraces multiple streams of Judaism including the growth of Conservative/Masorti kehillot throughout Israel.
2. [No Restrictions on the Law of Return](#) - MERCAZ opposes all attempts to restrict the Law of Return by redefining who is a Jew for the purposes of Aliyah.
3. [Governmental Respect for Conservative and Egalitarian Traditions and Practices](#) – Including Israeli government recognition of life cycle events performed within all recognized streams of Judaism and implementation of the previously accepted agreement with regard to the Western Wall.
4. [Increased Funding for the Conservative/Masorti Movement](#) – Increasing “stream funding” by the Jewish Agency, World Zionist Organization, and Keren Kayemeth LeYisrael to bolster Conservative/Masorti kehillot, institutions and programs in Israel and throughout the world.
5. [Strengthening the Ties Between American Jews and Israel](#) - Cultivating programs that connect American Jews and Israel and promoting Aliyah.
6. [Combatting Anti-Semitism and Anti-Zionism](#) – A pro-active agenda to combat anti-Semitism and anti-Zionism in the United States and around the world.
7. [Achieving Peace](#) – A negotiated peace settlement between Israel and the Palestinians.
8. [Supporting Israel as a Democratic Ally and Engaged Global Citizen](#) - As it lends its technology, innovations and assistance in the effort to solve global challenges.

TORAH AND ISRAEL FOR ALL

DORSHEI TORAH V'TZION

STRENGTHEN UNITY OF AM YISRAEL

DTT seeks to strengthen the bonds between Jews in Israel and the Diaspora and promote initiatives that deepen understanding between the two communities. We also encourage and support Aliyah to Israel and helping those individuals and communities who want to settle in our national homeland.

ZIONISM AND SUPPORT FOR ISRAEL

DTT will work to increase support for Zionism and the State of Israel amongst Jews and non-Jews alike in the political realm and civil space. It will work to combat anti-Zionism and those who seek to delegitimize the State of Israel and its right to exist.

EMPOWERING WOMEN

DTT supports systemic legal changes that protect, support and empower women. We seek to expand the spiritual, ritual, intellectual and political opportunities for women. We support finding and implementing a sustainable solution to put an end to the Agunah crisis. We seek to advocate for meaningful participation and equality for women in family life, synagogues, houses of learning and Jewish communal organizations. We also seek to raise awareness of and address the growing trends that exclude women from policy making decisions, public performances, and that erase images of women and girls from advertisements and publications.

PEACE AND SECURITY

DTT is committed to supporting efforts to find a just and viable peace for Israel as a Jewish and democratic state, with security and dignity for all, including the Palestinian people.

RELIGIOUS PLURALISM

DTT supports efforts to strengthen the Jewish identity of Israel as a state and to connect individual Jewish Israelis to their heritage. We support efforts to allow multiple religious options in the public and private sphere which reflect the reality of the State of Israel as the nation state of the entirety of Klal Yisrael, including efforts to give Israelis choices in kashrut supervision, halakhic paths to conversion, weddings, and prayer spaces for all at the Kotel.

SUPPORT YESHIVOT AND MIDRASHOT FOR MEN AND WOMEN

We believe that Yeshivot and Midrashot in Israel strengthen the soul and spirit of the nation alongside the contributions of the entire educational system in Israel which trains people to function as productive members of society. We particularly support the institution of Yeshivot Hesder which has given the IDF some of its finest and dedicated soldiers and officers.

HATIKVAH

PROGRESSIVE ISRAEL
WORLD ZIONIST CONGRESS 2020

WWW.HATIKVAHSLATE.NET | TEXT "HATIKVAH" TO 474747

Vote for the Hatikvah Slate to Support a Democratic Jewish State!

OUR PLATFORM

We are inspired by Israel's Declaration of Independence –which proclaimed the State “will be based on the precepts of liberty, justice and peace as taught by the Prophets; and will uphold the full social and political equality of all its citizens, without distinction of race, creed, or sex; and will guarantee full freedom of conscience worship, education and culture.”

Our commitment is to democracy and the rule of law, believing that all citizens of the State of Israel must be treated equally, and their civil and human rights protected. We oppose policies of discrimination, fear, and tribalism.

We fiercely oppose the current policy of permanent occupation and annexation. It is unjust and will end Israel's democracy. The occupation is sustained by ongoing policies of repression that only serve to exacerbate conflict and require daily violence to maintain it.

We proudly stand with those Israelis searching for peace with Palestine. Their understanding, broadly shared at the highest levels of Israel's security services, that the current policies ultimately harm Israel's security, needs to be supported publicly and energetically so that a meaningful peace process can gain the popular support necessary to nurture and develop it.

Peace-seeking Israelis and Palestinians urgently need the encouragement and assistance of the Zionist movement to support their programs of dialogue, combined with political action to achieve our shared vision of a negotiated, mutually accepted two-state solution in which Israelis and Palestinians can live in peace and mutual security. This will also enable full and open peace with the Arab world and end Israel's growing pariah status.

We wholeheartedly support religious and cultural pluralism in Israeli society. For the State of Israel to be a primary engine for Jewish creative continuity, it must empower, not oppose, the wide range of Jewish cultural and religious expression.

We stand with Israelis demanding the protection of the rights of women, including equal pay for equal work, equal opportunity in politics, an end to enforced segregation, and an end to discrimination against women's full participation in public events, both military and civilian.

We stand with Israelis fighting against vigilante “modesty patrols” and other acts of harassment against women.

We stand with Israelis that welcome asylum seekers, treat foreign workers with the dignity that they deserve, and fight against racism in their society, be it against Jews of color or people of other faiths.

We stand with Israelis striving to ensure full legal and social equality for the LGBTQ community, including marriage rights.

We also stand with Israelis working to promote environmental sustainability and support working with Palestinians and neighboring countries to deal with regional threats to climate and to water resources.

Within our communities in North America, we also have much work to do. Against the challenge of anti-Semitism and white supremacist movements, we will work with communal partners, especially Muslim organizations, to promote a common defense to our shared safety and values through interfaith and intercommunal dialogue.

We are aligned with the values and policies of the Israeli Labor Party, Meretz, the Green Movement, and other like-minded Israeli movements, organizations, and activists. Together, we work to ensure that the Israel we leave to future generations reflects the best of the values, traditions and hopes we inherited from previous generations, while moving past endless conflict and toward a brighter future of peace.

VOTE KOL YISRAEL FOR THE LOVE OF ISRAEL

MAKING ZIONISM COMPELLING IN THE 21ST CENTURY

- **DO YOU BELIEVE ZIONISM SHOULD BECOME MUCH MORE RELEVANT?**
- **ARE YOU CONCERNED ABOUT RISING ANTISEMITISM?**
- **DO YOU EMBRACE OUR SHARED HERITAGE, RESPONSIBILITY, AND DESTINY AS A DIVERSE JEWISH COMMUNITY?**

The World Zionist Congress (WZC), the international “parliament of the Jewish people,” comes together every 5 years to make decisions about how to better connect our people and engage with the State of Israel. Founded by Theodor Herzl in 1897, this Congress selects the leadership of the World Zionist Organization, the Jewish National Fund, and the Jewish Agency. Through these national Jewish institutions, the WZC allocates over \$1 billion per year to support Israel and Jews around the world.

As we strive to build vibrant communities across the U.S., engage with Israel, and overcome challenges like antisemitism, it is critical that we raise our voices to lead change and innovate within our institutions to meet the evolving needs of our people.

That is why Kol Yisrael is asking for your vote in the 2020 World Zionist Congress Elections.

The Kol Yisrael slate is led by StandWithUs and The Israeli American Council (IAC). The slate also includes leaders from many dynamic Zionist organizations like AEPi, The Museum of the Jewish People at Beit Hatfutsot, Council of Young Jewish Presidents, Strength to Strength, and Migdal Ohr, along with independent activists who do amazing work for Israel and the Jewish people every single day.

WE BELIEVE IN

- **Strengthening bonds between Jews in America and Israel**
- **Empowering diverse Jewish voices and bold new Zionist ideas**
- **Putting our collective resources to work for all of us**

WHAT WE WILL FIGHT FOR

- **Building real bridges between Jews in America and Israel.** We must increase our investment in educational programs, summer camps, social media, and other platforms, in order to deepen the bonds between Jews in America and Israel.
- **Engaging and empowering our youth to support Israel and fight antisemitism.** Every day our members work to inspire young American Jews to be leaders, connect with their ancestral home, and engage with their peers in Israel. We must invest more in this crucial effort.
- **Bringing in Jews from many backgrounds and cultivating bold, new Zionist ideas.** We must engage more Jewish communities in the American Zionist Movement and bring Israel’s spirit of innovation back to the Zionist world. We will fight for infrastructure that will provide funding, mentorship, and support for exciting, new Zionist projects.

**THE FUTURE OF OUR PEOPLE IS ON THE LINE, AND \$1 BILLION CAN MAKE A HUGE IMPACT!
LET’S REVITALIZE ZIONISM AND PUT THOSE RESOURCES TO WORK FOR ALL OF US.**

Strengthening Sephardic Jewish Traditions & Values Worldwide

MAKE YOUR VOICE HEARD

Vote for Unity. Vote for Community. Vote for Tradition

Shas Olami the World Sephardic Zionist Organization was established in 2010 at the request of Maran HaRav Ovadia Yosef zt"l.

Its mission is to serve as a platform within the Zionist Movement around the world, to provide tools and means for traditional Sephardic communities to speak out and influence the direction of Jewish education and way of life within Jewish communities throughout the world.

Shas Olami wishes to become a significant power in the World Zionist Organization and the 38th World Zionist Congress. This will enable it to provide your communities with programs in support of traditional Jewish Education and Identity, and with initiatives to strengthen your communities, and to enhance your support and bonding with the State of Israel.

We as traditional Sephardim have a task to perpetuate our Jewish heritage through the teaching of authentic Torah values in Israel and throughout the Jewish world. Having preserved our own Jewish identity during centuries of exile and dispersal, we understand the need to transmit strong and consistent Torah messages to reinforce Jewish identity among young people in every Jewish community.

The time has come to take responsibility !

Shas Olami is comprised of members and delegates from all segments of the Jewish People who represent and share our various and the uniqueness of our communities across the United States. Shas Olami is supported by our Sages, Rabbis and leaders. We have an opportunity to share the beauty of our Sephardic heritage with our Jewish brethren and to make our voice heard.

Shas Olami is a movement of our people for our people and it offers a chance to be represented by members of our own communities. The success of Shas Olami depends strongly on each one of us, family and friends – the voters.

**It is time for us to take our place
in the international Jewish Parliament!**
